He was immediately arrested under a similar charge for entering E. D. Townsend's drug store in Forbes on the night of the 23rd of June last. He was brought before Judge Kuehner on the 25th inst., and waiving an examination was recommitted to jail to await the action of the grand jury at the next August term.

--Remember if you want 1st

class Blackberries furnished you at Forest City for \$1.00 per crate, Address Dr. S. B. Lukens, Oregon Mo. A city is very much like an individual. To be flourishing it must have energy and enterprise. The people in the city should labor for its prosperity. They should remember that their individual prosperity depends to a large degree upon the character of the place in which their business is located. Every public measure should be liberally supported by all, especially by the business men. At the present day there is as much competition between cities as there is among persons or similar business enterprises. A man seeking a location will invariably select a city that is up to the times and largely in favor of every modern improvement. A city in these modern times, and in the face of so much opposition, can't afford to be peopled with old fogies or enthrallment families, who are continually "kidding" at every enterprise. To make a flourishing and successful city you must believe in its future and then work for it. Encourage every improvement. Keep in every enterprise. Offer inducements to persons looking for a location.

Eugene Shultz, of Highland Station,

THE FAIR GROUNDS.

The Tenth Annual Meeting of the Nodaway Valley District Fair Association

AN ASSURED SUCCESS.

To be Held in Maitland Monday, Tuesday, Wednesday, Thursday and Friday, August 17, 18, 19, 20 and 21.

Great Preparations Being Made in All Departments—Track in Excellent Condition—Large Number of Horses in Training.

On Monday afternoon, having a spare hour, we visited the Maitland fair grounds, which we found slightly damp after the rain, but upon examining the track we found it in the pink of perfection and learned that the association, bound to keep the reputation of the fastest half mile track in the state, have, by the expenditure of time and money, placed the track in an excellent condition for the coming fair. That this will be the best meeting in the history of the association is self-evident even now. Upon visiting the stalls we found the following horses now in training:

S. T. Kennedy, of Maryville, has Eliza,

K., a pacing filly by Robert Rysdyke; last dam Red Rose, by Jester, D. Normandy Boy, by Jester, D. 1st dam by Jester.

Also the yearling filly, Leota Wilkes,

by Wilkesmont, 2:23 1/2 last dam Lightfoot, by Jester, D. Mr. H. Booth has charge of the above stable as trainer. We next came to the stable of Mr. Frank Grigsby, of Maryville, but found only two, the rest being at the races.

Queen, by Greenbacks, was first seen.

She will be remembered as the winner of the free for all trot last year. The other, Smoky, also by Greenbacks, is a promising 2-year-old. We then found Mr. Lum Hendrix with quite a string of youngsters among which was the likely 2-year-old North-west colt, the property of H. Blazer. Mr. Hendrix is also taking care of Mr. Donovan's Red Wilkes stallion, Clark St. Mr. Crockett, the firm of Hardenberg & Crockett, of Co. La., very politely took us through his stable, which consisted of the following:

Tom Hays, by Judge Hays, by Robt

McGregor, 2:17 1/2 last dam by Jester, D. Star Eddish, by Major Eddish; last dam by Star Eddish. Minnie Eddish, a 2-year-old by the same sire. Rippel Eddish, a yearling, another 2:17 1/2 last dam and entered here in the yearling stake race.

Dr. L. D. Capron, of Maryville, was

visited where he was training a 3-year-old by Tattler Chief; last dam by Caldwell Chief. Cella Wamankunda, a 2-year-old by C. Wamankunda; last dam by C. Wamankunda. Bashaw Chief, a yearling by Star Bashaw; last dam by Sherman Chief.

Among the colts were for J. Hector

of Leitch, of Kansas City, a 2-year-old, by Fantasia and Blue Bird, breeding unknown. Mr. Martin had Ole Yonager, a likely looking son of old Martin. Just then who should we meet but Maitland's veteran trainer and driver, Mr. Josh Chase, at home a few days from a successful campaign with as bright a string of winners as the Maitland track has ever turned out. They consisted of the handsome young stallion, Capisium, by Robert Rysdyke; last dam by Jester, D. by Fantasia and Blue Bird, breeding unknown.

Mr. Martin had Ole Yonager, a likely

looking son of old Martin. Just then who should we meet but Maitland's veteran trainer and driver, Mr. Josh Chase, at home a few
